### PAYMENT OF FEES

#### Discounts:

BIS does not ordinarily offer discounts to students as all fees levied have been stringently budgeted for. However, exceptions **will** be made for:

**1. Siblings:** Parents with more than one child at the school will be afforded a discount. The discount will be exclusively on tuition fees and will work as follows: The second sibling will receive 10% discount on tuition fees, the third sibling will receive 15% discount and the fourth a 20% discount which will remain fixed for any subsequent children.

**2. Early Payment:** Parents who settle the FULL invoiced amount ONE CALENDAR month prior to school reopening will receive a 5% discount on TUITION FEES.

Students on special discount will not be eligible for early payment discount. A student will be eligible for early payment discount once he/she completes a whole term with school.

## MODE OF PAYMENT

The school recommends the following methods of payment:

Directly transferring the funds to the school account (see details below). The deposit slip should then be brought to school upon which a receipt will be issued. The school provides dollar and Ugandan shillings bank slips to parents / guardians.

#### (b) School Fees Refund

**Re-enrollment and admission fees are non-refundable.** If admission is withdrawn prior to the start of the semester, a **75%** refund on tuition paid to the school will be given. If admission is withdrawn within 2 weeks of the start of the semester, a **50%** refund will be given.
